loses his allowance of Rs 50/- pm. as Resident Medical offr during the period of deputation. Even if he does so, Rs 4/- a day for the whole period is sufficient. It must be remembered that the double railway 1st class both ways leaves a very substantial margin as the return ticket costs only 1½ fares. Dr Nanjappa lost the allowance of Rs 200 a month & got Rs 180/- a month instead. In fact none of the cases mentioned by the S.S. have been so favourably treated as the present one is proposed to be. If the system of deputing our offrs for training in other parts of India is to expand, the terms should not be made unduly expensive. M 19/4

or I have ordered certain electrical apparatus now on the way out from England; this is for x-ray work and electrical diagnosis and treatment also for "Ionic" medication. I am quite content to pass this myself but one year of my three years' appointment has already elapsed and after I leave the Hospital, there should be some one trained to carry on this work. Again, if I have to do this work myself, it will just be fitted into odd things and full use will not be made of the advantages to be derived from the apparatus. Besides the actual clinical work done with it, there is the development of negatives and all that side of the work which I shall not be able to carry out to any very great extent. So I leave it for you to consider whether a ~~native~~ man should be trained at Dehra Dun for this purpose.

Secretary to the Government of
H. H. the Maharaja of Mysore, Genl. and Rev. Deptts.,

Sir,

In forwarding for the orders of Government, copy of letter No. 501 dated 4th March 1914 giving cover to a letter dated 27th February 1914, from Assistant Surgeon Mr. S. Subba Rao now on deputation at Dehra Dun, praying for a special deputation allowance of Rs 8/- per day in lieu of the daily allowance of Rs 4/- now granted to him,- I have the honor to state as follows.-

1. The difficulties mentioned by Mr. Subba Rao in para 3 of his letter are those which fall to the lot of every chief earning member of a Hindu family and the deductions from his pay are, I believe, on account of house building advance (Rs 62-8-0) and premium on State Life Insurance (Rs 25/-). It is a matter for Government to order a postponement of these recoveries until after the return of Mr. Subba Rao from deputation - as is done in cases where officers go on leave without allowances.

2. The statement that Mr. C.A. Nanjappa was given a daily allowance of Rs 6/- when he was "entitled to only Rs 3" is not quite accurate. Mr. Nanjappa went to Dehra Dun in 1906 when he was a First Class Assistant Surgeon drawing Rs 300/- and was entitled to a daily allowance of

Rs 4/-

Forwarding Copy of letter from Asst. Asst Surgeon Mr. S. Subba Rao at Debra Dun praying for a Special deputation allowance of Rs 4 per day.

Rs 4/-. Besides, he lost his local allowance of Rs 200/-. He was at first granted only the ordinary batta admissible under the Service Regulations (vide Government Order No.2650-2/Med.38-06-6 dated 28-9-1906.) But on a representation from him that the above rate was insufficient, Government were pleased to sanction a local allowance of Rs 180/- per mensem in lieu of the daily allowance of Rs 4/- (vide Government Order No. 5187-8/Med. 38-06-12 dated 15-12-1906.)

3. In other cases where the period of deputation was much shorter - a month or 6 weeks - Government have sanctioned the following rates of allowances:-

(1) Dr. Ramasawmy Iyengar who was drawing a pay of Rs 600/- and was entitled to a daily allowance of Rs 5/-, was granted a deputation allowance of Rs 120/- a month for the period he stayed at Amritsar to learn the new method of operation for Cataract (vide Government Order No.10134-5/Med. 150-09-5 dated 9th May 1910.)

(2) Mr. B. Krishna Rao who was drawing a pay of Rs 350/- and was entitled to a daily allowance of Rs 4/-, was allowed a daily allowance of Rs 3/- when deputed to Amritsar to attend the Malaria Class - (vide Government Order No. 5331-3/Med. 87-10, dated 7th December 1910.)

(3) Mr. Samuel, District Sanitary Officer, drawing a pay of Rs 170/- and entitled to a daily allowance of Rs 3/-, was given a daily allowance of Rs 4/- when he was deputed to attend the Malaria Class at Delhi- (vide Government Order No. 3298-9/Sany. 22-13, dated 5th September 1913.)

Put up note ✗ 5157

4. As the Government have thus passed orders on individual cases according to the merits of each, I submit the matter for the orders of Government.

Letter No. 501 dated 4/5th March 1914 from the Durbar Surgeon in charge of the General Hospital, Mysore, to the Senior Surgeon, Mysore Government.

I have the honor to forward a letter from Assistant Surgeon S. Subba Rao who asks for an increase of his deputation allowance. I think for the reasons he sets out the request merits the consideration of Government especially in view of the raised prices now prevalent due to scarcity in the U.P. I would request you to be so good as to forward the letter with your recommendation.

Letter dated, Dehra Dun, 27th February 1914, from Mr. S. Subba Rao, to the Durbar Surgeon in charge of the General Hospital, Mysore.

--

I have the honor to request you to kindly recommend me to Government for a special deputation allowance of Rs 8/- per day, instead of Rs 4/-, which I am drawing now, for the following reasons,-

2. Living is very expensive in Dehra Dun, as in all other hill-stations. It is especially so now, on account of the famine in the United Provinces.

3. The actual pay that I draw amounts to only Rs 162-8-0, after making the usual deductions for life assurance &c., This amount is barely sufficient to maintain my family in Mysore; and support a brother who is studying in Bombay. Besides, I am deprived of the allowance of Rs 50/-, which I was drawing as Resident Medical Officer of the General Hospital. So, I have to depend entirely on my allowance of Rs 4/- per day, which is not at all adequate to meet my expenses here. Boarding and lodging alone amounts to Rs 160/- per month. As there are no hotels or boarding houses near the X-Ray Institute, I have to live far away from it; and Cycle hire or tonga hire amounts to between 30 - 40 rupees every month. Besides these main items, there are other expenses, such as books &c., which run up the figure considerably

considerably.

4. . Precedents are not wanting for granting a special allowance. I may point out that Dr. C.A. Nanjappa was getting a daily allowance of Rs 6/- when entitled to only Rs 3, during his deputation here; and that Mr. D M. Narasinga Rao was drawing a daily allowance of Rs 10, when entitled to only Rs 5/-, during his deputation at Simla. I need hardly point out that the cost of living here has risen considerably since then.

It is therefore impossible for me to maintain myself here, during these two months and a half, on my present allowances, without running into debt. I shall be very grateful if Government are pleased to sanction for me the special deputation allowance of Rs 8/- per day.
